EXPERIENCE

Consultant, Stockholm — UI/UX Designer

JAN 2024 - PRESENT

Crafting user-centered products from concept to UI designs, shaping user journeys with data-driven insights, fostering team growth through research and collaboration.

RaceID, Stockholm — UI/UX Designer

JAN 2023 - JAN 2024

Defined the user-centered design strategy to support our company goals (increasing revenue and creating new products) by running usability tests, user research and crafting detailed prototypes and UI designs and design systems. Collaborated with cross functional teams.

Navaak, Stockholm — UI/UX Designer

FEB 2020 - DEC 2022

Conducted user research and user test to inform user centric UI/UX designs and collaborating in an agile environment using Jira.

Navaak, Tehran — IT Engineer

SEP 2017 - NOV 2019

Explored various domains to identify career interests (coding, git, documentation)
